Modellen

Innovative Capacity & Entrepreneurial Capacity Are Distinct Regional Assets

I-Capacity

Ability to develop new to the world innovations from inception through to the market.

Strong I-Cap:

Universities, Central R&D,
Network of researchers,
Medical Centers

E-Capacity

Ability to start and build new to the world businesses from inception to maturity.

Strong E-Cap:

Entrepreneurs, Mentors,
Founding Teams
Investors at all stages

Verdiskapning og flere arbeidsplasser
