

# Ocean Hyway Cluster

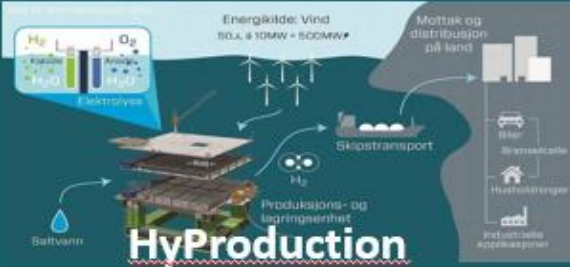

*The Norwegian cluster  
aiming to realize maritime  
use of hydrogen*

ARENA Ocean  
Hyway Cluster

# Ocean Hyway Markets

# Ocean Hyway Cluster

OHC is the national hydrogen cluster to realize maritime use of hydrogen.

[>> Read more about the cluster here](#)

## Our projects

## Join us today

## Fuel Cell Manufacturers

- Company contact details
- Fuel cell specification sheets and data
- Links to manufacturer's website

## Hydrogen Vessels

- Project and partner contact details
- Vessel technical details
- Links to project website and latest news

## Publications Library

- Predominantly concerning maritime use of hydrogen in Norway, but also other aspects of the international hydrogen value chain
- Research publications, feasibility studies, forecasts, government policy and regulatory frameworks
- 2016 to present day

# Facilitators

**Stein Kvalsund**

CEO
